

SDG10: Recycled
Inequalities

10 REDUCED
INEQUALITIES

Among 17,408 full-time students studying at the university, 29 are children of families registered in the "Temir Daftar (poor families)", 90 are children of "low-income" families, 4 are true orphans, 11 are orphans (those whose father - mother died), 245 students with disabilities, 29 bloggers, Tik-tokers, IT workers,

There are Regulations for student residences of BukhSU and placement in student dormitory and students are accommodated in accordance with these Regulations. First of all, students from foreign countries and remote regions, disabled, orphans, fatherless, and those in need of social protection are accommodated in student dormitory.

245 people with disabilities are studying at BukhSU. 103 of them stated that they needed student dormitory, and 48 people were on the 1st floor of the 1st building, 11 people were on the 2nd building, 4 people were on the 3rd building, 13 people were on the 4th building,

There are 4 students in building 5, 13 in building 6, and 10 in building 7. All conditions are created for disabled people according to the established procedure.

Based on the calculation developed for the cost of living in the student dormitory for 1 student in the 2021/2022 academic year at Bukhara State University, the amount of monthly payment for student housing in the 2021-2022 academic year is set at 193,012 soums which is 17 USD.

In the established procedure (Regulation on student dormitory, approved by the orders of the Ministry No. 1019 of November 1, 2019 and the orders of the university rector No. 1036 of November 9, 2016), true orphans (those whose parents have died), foster children of the orphanage, youth guards of the union in student dormitory and students with 1-2 groups of disabilities are exempted from paying for student accommodation.

Orphans (one of their parents died), chairman of the student council of student dormitory, floor captains, two or more students from the same family (if all of them study under a contract), to the "Temir Daftar" list (based on the sector directory) 50% of the fee is allowed for those who have children of the receiving family and students with disabilities of the 3rd group.

A MEETING WITH DISABLED STUDENTS WAS HELD IN STUDENT RESIDENCE

On the occasion of 2021 - the year of "Supporting the youth and strengthening the health of the population", Deputy Dean of Youth Affairs of the Faculty of Physical Culture I.I. Saidov held a meeting with students with disabilities. At the meeting, a discussion was held regarding the suggestions and problems expressed by the students and the question of holding the sports Olympics month among the disabled was considered. All faculty leaders and students with disabilities participated in the meeting.

An event was held on the theme "Believe in yourself, if you have the opportunity."

On April 15, 2021 in the Bukhara State University activists' hall, with the primary organization of the youth union of Bukhara State University, in order to support and give them spiritual support to demonstrate their talents of students with

disabilities who need the support of the society and have many hopes and dreams. Under the organization of the Faculty of Pedagogy, an event was held on the theme "Believe in yourself - the opportunity is in your hands" in cooperation with the specialized boarding school for visually impaired children No. 24 of Bukhara city.

The event was opened by the Rector of Bukhara State University, Doctor of Economics, Professor O. Khamidov.

During the event, the performances of boarding school students within the framework of 5 initiatives and the concert program of the "Youth" theater group of the Faculty of Pedagogy were shown.

The teachers and coaches, who are encouraging the children to take bold steps towards a bright future, were presented with letters of thanks from the university management.
